

/home/gene/Work/dimmer
/main/include/strap.h

```
graph TD; A["/home/gene/Work/dimmer  
/main/include/strap.h"] --> B["stdint.h"]; A --> C["driver/gpio.h"]
```

The diagram illustrates the include relationships for the file `/home/gene/Work/dimmer/main/include/strap.h`. Two blue arrows originate from the bottom of the top box and point to the top of the two bottom boxes, indicating that `strap.h` includes both `stdint.h` and `driver/gpio.h`.

stdint.h

driver/gpio.h
